

Wen Liu

Wen Liu was born and grew up in Beijing, China. As a young person, she attended China Central Academy of Fine Arts in Beijing, **中央美术学院**. There she studied the various styles of traditional Chinese painting, including shān shuǐ **山水** (mountains and water) which became her specialty.

Wen now makes her home in Sydney, Australia, where she enjoys painting scenes from the Australian bush and pursues her interests in film and fine art marketing. In addition, her beautiful Beijing accent and excellent Chinese language skills serve her well in teaching Mandarin to young Aussies. Her love of fun and creative ideas make her a popular teacher. Bridge Across Nations Mandarin provides learning materials to her and in turn she supports us with her insights and guidance on Chinese culture. We have shared many adventures in Hong Kong, Beijing and Sydney, Australia together.
